Offering

On August 14, 2020 (the "Closing Date"), Ondas Holdings Inc. (the "Company") entered into securities purchase agreements (the "Purchase Agreements") with certain purchasers (the "Investors"), which provided for the sale of an aggregate of \$3.0 million of the Company's Series A Convertible Preferred Stock (the "Series A Preferred") at a cash purchase price of \$2.00 per share (the "Purchase Price") (the "Offering"). On August 14, 2020, pursuant to the Purchase Agreements, the Company issued an aggregate of 1,500,000 shares of Series A Preferred to the Investors (the "Closing"). In connection with the Closing, Eric Brock, the Company's Chief Executive Officer purchased 157,500 shares of Series A Preferred. The aggregate gross proceeds to the Company from the Closing was \$3.0 million. After payment of offering expenses, the net proceeds to the Company from the Closing was approximately \$2.9 million.

Pursuant to the Purchase Agreements, the Company has agreed to indemnify the Investors for liabilities arising out of or relating to (i) any breach of any of the representations, warranties, covenants or agreements made by the Company or its subsidiary in the Purchase Agreements or related documents or (ii) any action instituted against an Investor with respect to the Offering, subject to certain exceptions. The Purchase Agreements also contains customary representations and warranties and covenants of the Company and was subject to customary closing conditions.

The Series A Preferred were offered and sold exclusively to accredited investors in a transaction exempt from registration under the Securities Act of 1933, as amended (the "Securities Act"), as a transaction not involving a public offering, pursuant to Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder. The Investors represented their intentions to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends were placed upon the stock certificates and book entry statements issued in the transaction. The offer and sale of the securities were made without any general solicitation or advertising.

The foregoing summary of the Purchase Agreements does not purport to be complete and is qualified in its entirety by reference to the complete text of the form of Purchase Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

The disclosures required by Item 3.02 are set forth above under Item 1.01 and are incorporated herein by reference.

Certificate of Designation Series A Preferred

In connection with the Closing, on August 14, 2020, the Company filed a Certificate of Designation with the State of Nevada to designate 5,000,000 shares of the Company's preferred stock as Series A Preferred. Shares of Series A Preferred rank pari passu with the Company's common stock, except that holders of Series A Preferred shall have certain liquidation preferences as set forth in the Certificate of Designation and the holders of the Series A Preferred are not entitled to vote on any matters presented to the stockholders of the Company. The Certificate of Designation became effective on the Closing Date.

The Series A Preferred is convertible at a holder's election any time beginning six months from the Closing into shares of the Company's common stock at an initial conversion price equal to the Purchase Price, subject to certain adjustments described below, so that, initially, each share of Series A Preferred shall be convertible into one (1) share of the Company's common stock. Also, the Series A Preferred will be automatically converted into the Company's common stock (a "Mandatory Conversion"), at the then applicable conversion price, in the event of an equity offering of shares of the Company's common stock resulting in the Company uplisting to a national securities exchange (provided that if the per share offering price in such offering is less than the then applicable conversion price for the Series A Preferred, the Series A Preferred will automatically convert based on the offering price in such offering).

In the event of any stock split, stock dividend, or stock combination, the number of shares deliverable and the conversion price of the Series A Preferred will be appropriately adjusted. In the event a Mandatory Conversion is triggered, if the offering price on the date such Mandatory Conversion is triggered is less than a 25% premium to the Purchase Price, the Company will issue additional shares of the Company's common stock for each outstanding share of Series A Preferred to ensure the effective conversion price equals a 25% discount to the Purchase Price.

Also, for a period of one year from the date of the Purchase Agreements, if the Company undertakes an underwritten public equity offering, the holders of Series A Preferred will enter into a lock-up agreement with respect to the sale of the Series A Preferred and the Company's common stock underlying such Series A Preferred as may be reasonably requested by the Company or the Company's underwriter for such public equity offering.

The foregoing description of the Series A Preferred is qualified, in its entirety, by the full text of the Certificate of Designation, a copy of which is attached to this Current Report on Form 8-K as Exhibit 3.1, and is incorporated by reference herein.

The Buyer represents and warrants to the Company, that:

5.1 Investment Purpose. The Buyer is acquiring the Shares for its own account for investment only and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered or exempted from registration under the Securities Act; provided, however, that by making the representations herein, the Buyer reserves the right to dispose of the Shares at any time in accordance with or pursuant to an effective registration statement covering such Shares or an available exemption under the Securities Act. The Buyer acknowledges that a legend will be placed on the certificates representing the Shares and the shares of Common Stock issuable upon conversion of the Shares in the following form:

THESE SHARES HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND ARE “RESTRICTED SECURITIES” AS THAT TERM IS DEFINED IN RULE 144 UNDER THE SECURITIES ACT. SUCH SHARES MAY NOT BE OFFERED FOR SALE, SOLD, OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER, THE AVAILABILITY OF WHICH IS TO BE ESTABLISHED TO THE REASONABLE SATISFACTION OF COUNSEL TO THE ISSUER.

5.2 Accredited Investor Status. The Buyer is an “accredited investor” as that term is defined in Rule 501(a) of Regulation D, as promulgated under the Securities Act and Buyer has completed the Accredited Investor questionnaire attached as Exhibit B to this Agreement.

5.3 Reliance on Exemptions. The Buyer understands that (1) the offering of the Shares have not and will not be registered under the Securities Act, (2) the Shares will be “restricted securities” (as that term is defined under Rule 144(a)(3) of the Securities Act and such Shares may not be resold unless they are registered under the Securities Act or an exemption from registration is available), (3) the Shares are being offered and sold to the Buyer in reliance on specific exemptions from the registration requirements of United States federal and state securities Laws, and (4) the Company is relying in part upon the truth and accuracy of, and the Buyer’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of the Buyer set forth herein in order to determine the availability of such exemptions and the eligibility of the Buyer to acquire the Shares.

5.4 Information. The Buyer and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and other information the Buyer deemed material to making an informed investment decision regarding its purchase of the Shares which have been requested by the Buyer. The Buyer acknowledges that Buyer has reviewed the SEC Documents (as defined below), which are available on the SEC’s website (www.sec.gov) at no charge to the Buyer. The Buyer acknowledges that Buyer may retrieve all SEC Documents from such website and the Buyer’s access to such SEC Documents through such website shall constitute delivery of the SEC Documents to the Buyer. The Buyer and Buyer’s advisors, if any, have been afforded the opportunity to ask questions of the Company and its management. The Buyer understands that Buyer’s investment in the Shares involves a high degree of risk. The Buyer is financially sophisticated sufficiently to evaluate the merits and risks of this investment. The Buyer has sought such accounting, legal, and tax advice as Buyer has considered necessary to make an informed investment decision with respect to its acquisition of the Shares. Without limiting the foregoing, the Buyer has carefully considered the potential risks relating to the Company and a purchase of the Shares, including those risks described in the SEC Documents, and Buyer fully understands that the Shares are a speculative investment that involves a high degree of risk of loss of the Buyer’s entire investment.

5.5 No Governmental Review. The Buyer understands that no United States federal or state Governmental Authority has passed on or made any recommendation or endorsement of the Shares, or the fairness or suitability of the investment in the Shares, nor have such Governmental Authorities passed upon or endorsed the merits of the offering of the Shares.

5.6 Authorization, Enforcement. This Agreement has been duly and validly authorized, executed and delivered on behalf of the Buyer and is a valid and binding agreement of the Buyer, enforceable in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar Laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

5.7 General Solicitation. The Buyer is not purchasing the Shares as a result of any advertisement, article, notice or other communication published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement. The Buyer represents that it has a relationship with the Company preceding the offering of the Shares.

6.5 No Conflicts. Neither the execution of this Agreement, nor the issuance, offering or sale of the Shares, nor the consummation of any of the transactions contemplated herein and therein, nor the compliance by the Company with the terms and provisions hereof and thereof will conflict with, or will result in a breach of, any of the terms and provisions of, or has constituted or will constitute a default under, or has resulted in or will result in the creation or imposition of any lien, charge or Encumbrance upon any property or assets of the Company pursuant to the terms of any Contract or other agreement to which the Company may be bound or to which any of the property or assets of the Company is subject, except (i) such conflicts, breaches or defaults as may have been waived and (ii) such conflicts, breaches and defaults that would not reasonably be expected to have a Material Adverse Effect; nor will such action result (x) in any violation of the provisions of the organizational or governing documents of the Company, or (y) in any violation of the provisions of any statute or any order, rule or regulation applicable to the Company or of any Governmental Authority having jurisdiction over the Company other than (for the avoidance of doubt, solely with respect to clause (y)) any violation that would not have a Material Adverse Effect.

6.6 Issuance of Shares. The Shares are duly authorized and, upon issuance in accordance with the terms hereof, shall be duly issued, fully paid and non-assessable, and free from all Encumbrances with respect to the issue thereof, and, assuming the accuracy of the representations and warranties of the Buyer set forth in Article V above, will be issued in compliance with all applicable United States federal and state securities Laws. 6.11 No Violation or Default. Neither the Company nor any of its Subsidiaries is (i) in violation of its charter or by-laws or similar organizational documents; (ii) in default, and no event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound or to which any of the property or assets of the Company or any of its Subsidiaries are subject; or (iii) in violation of any Law of any Governmental Authority, except, in the case of each of clauses (ii) and (iii) above, for any such violation or default that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

6.12 Compliance with Laws. Each of the Company and its Subsidiaries: (A) is and at all times has been in material compliance with all statutes, rules, or regulations applicable to the ownership, testing, development, manufacture, packaging, processing, use, distribution, marketing, labeling, promotion, sale, offer for sale, storage, import, export or disposal of any product manufactured or distributed by the Company or its Subsidiaries (“Applicable Laws”), except as could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect; (B) has not received any written or, to the knowledge of the Company, verbal notice from any other Governmental Authority alleging or asserting noncompliance with any Applicable Laws or any licenses, certificates, approvals, clearances, authorizations, permits and supplements or amendments thereto required by any such Applicable Laws (“Authorizations”); (C) possesses all material Authorizations and such Authorizations are valid and in full force and effect and are not in material violation of any term of any such Authorizations; (D) has not received written or, to the knowledge of the Company, verbal notice of any Claim, action, suit, Proceeding, hearing, enforcement, investigation, arbitration or other action from any Governmental Authority or third party alleging that any product operation or activity is in violation of any Applicable Laws or Authorizations and has no knowledge that any such Governmental Authority or third party is considering any such claim, litigation, arbitration, action, suit, investigation or Proceeding; (E) has not received written or, to the knowledge of the Company, verbal notice that any Governmental Authority has taken, is taking or intends to take action to limit, suspend, modify or revoke any Authorizations and has no knowledge that any such Governmental Authority is considering such action; (F) has filed, obtained, maintained or submitted all material reports, documents, forms, notices, applications, records, Claims, submissions and supplements or amendments as required by any Applicable Laws or Authorizations and that all such reports, documents, forms, notices, applications, records, Claims, submissions and supplements or amendments were complete and correct on the date filed (or were corrected or supplemented by a subsequent submission); and (G) has not, either voluntarily or involuntarily, initiated, conducted, or issued or caused to be initiated, conducted or issued, any recall, market withdrawal or replacement, safety alert, post-sale warning, “dear healthcare provider” letter, or other notice or action relating to the alleged lack of safety or efficacy of any product or any alleged product defect or violation and, to the Company’s knowledge, no third party has initiated, conducted or intends to initiate any such notice or action.

The Company is current with its filing obligations under the Exchange Act and all SEC Documents have been filed on a timely basis or the Company has received a valid extension of such time of filing and has filed any such SEC Document prior to the expiration of any such extension. The Company represents and warrants that true and complete copies of the SEC Documents are available on the SEC's website (www.sec.gov) at no charge to Buyers, and Buyers acknowledge that each of them may retrieve all SEC Documents from such website and each Buyer's access to such SEC Documents through such website shall constitute delivery of the SEC Documents to Buyers; provided, however, that if the Buyer is unable to obtain any of such SEC Documents from such website at no charge, as result of such website not being available or any other reason beyond the Buyer's control, then upon request from such Buyer, the Company shall deliver to such Buyer true and complete copies of such SEC Documents. As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Exchange Act, and none of the SEC Documents, at the time they were filed with the SEC, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. None of the statements made in any such SEC Documents is, or has been, required to be amended or updated under applicable Law (except as such statements have been amended or updated in subsequent filings prior to the date hereof, which amendments or updates are also part of the SEC Documents). As of their respective dates, the financial statements of the Company included in the SEC Documents ("Financial Statements") complied in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto (except as such Financial Statements have been amended or updated in subsequent filings prior to the date hereof, which amendments or updates are also part of the SEC Documents). All of the Financial Statements have been prepared in accordance with GAAP, consistently applied, during the periods involved (except: (i) as may be otherwise indicated in such Financial Statements or the notes thereto; or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements), and fairly present in all material respects the consolidated financial position of the Company as of the dates thereof and the consolidated results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). To the knowledge of the Company and its officers, no other information provided by or on behalf of the Company to the Buyer which is not included in the SEC Documents contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstance under which they are or were made, not misleading.

6.15 No Litigation. There are no actions, suits or Proceedings by or before any Governmental Authority pending, nor, to the Company's knowledge, any audits or investigations by or before any Governmental Authority, to which the Company or a Subsidiary is a party or to which any property of the Company or any of its Subsidiaries is the subject that, individually or in the aggregate, if determined adversely to the Company or its Subsidiaries, would reasonably be expected to have a Material Adverse Effect and, to the Company's knowledge, no such actions, suits, Proceedings, audits or investigations are threatened by any Governmental Authority or threatened by others; and (i) there are no current or pending audits, investigations, actions, suits or Proceedings by or before any Governmental Authority that are required under the Securities Act to be described in the Disclosure Schedules that are not so described; and (ii) there are no Contracts or other documents that are required under the Securities Act to be filed as exhibits to the SEC Documents that are not so filed.

The Company and each Subsidiary possess such valid and current certificates, authorizations or permits issued by the appropriate state, federal or foreign regulatory agencies or bodies necessary to conduct their respective businesses, and neither the Company nor any Subsidiary has received, or has any reason to believe that it will receive, any notice of proceedings relating to the revocation or modification of, or non-compliance with, any such certificate, authorization or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, could reasonably be expected to result in a Material Adverse Effect.

6.17 Regulatory Filings. Neither the Company nor any of its Subsidiaries has failed to file with the applicable Governmental Authority any required filing, declaration, listing, registration, report or submission, except for such failures that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect; all such filings, declarations, listings, registrations, reports or submissions were in compliance with Applicable Laws when filed and no deficiencies have been asserted by any applicable regulatory authority with respect to any such filings, declarations, listings, registrations, reports or submissions, except for any deficiencies that, individually or in the aggregate, would not have a Material Adverse Effect.

6.18 Intellectual Property. The Company and its Subsidiaries own, possess, license or have other rights to use all foreign and domestic patents, patent applications, trade and service marks, trade and service mark registrations, trade names, copyrights, licenses, inventions, trade secrets, technology, Internet domain names, know-how and other intellectual property (collectively, the "Intellectual Property"), necessary for the conduct of their respective businesses as now conducted except to the extent that the failure to own, possess, license or otherwise hold adequate rights to use such Intellectual Property would not, individually or in the aggregate, have a Material Adverse Effect. (i) There are no rights of third parties to any such Intellectual Property owned by the Company and its Subsidiaries; (ii) to the Company's knowledge, there is no infringement by third parties of any such Intellectual Property; (iii) there is no pending or, to the Company's knowledge, threatened action, suit, Proceeding or claim by others challenging the Company's and its Subsidiaries' rights in or to any such Intellectual Property, and the Company is unaware of any facts which could form a reasonable basis for any such action, suit, Proceeding or claim; (iv) there is no pending or, to the Company's knowledge, threatened action, suit, Proceeding or claim by others challenging the validity or scope of any such Intellectual Property; (v) there is no pending or, to the Company's knowledge, threatened action, suit, Proceeding or claim by others that the Company and its Subsidiaries infringe or otherwise violate any patent, trademark, copyright, trade secret or other proprietary rights of others; (vi) to the Company's knowledge, there is no third-party U.S. patent or published U.S. patent application which contains Claims for which an Interference Proceeding (as defined in 35 U.S.C. § 135) has been commenced against any patent or patent application described in the SEC Documents as being owned by or licensed to the Company; and (vii) the Company and its Subsidiaries have complied with the terms of each agreement pursuant to which Intellectual Property has been licensed to the Company or such Subsidiary, and all such agreements are in full force and effect, except, in the case of any of clauses (i)-(vii) above, for any such infringement by third parties or any such pending or threatened suit, action, Proceeding or claim as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

6.19 No Material Defaults. Neither the Company nor any of the Subsidiaries has defaulted on any installment on indebtedness for borrowed money or on any rental on one or more long-term leases, which defaults, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. The Company has not filed a report pursuant to Section 13(a) or 15(d) of the Exchange Act since the filing of its last Annual Report indicating that it (i) has failed to pay any dividend or sinking fund installment on preferred stock or (ii) has defaulted on any installment on indebtedness for borrowed money or on any rental on one or more long-term leases, which defaults, individually or in the aggregate, would have a Material Adverse Effect. "Annual Report" means the Annual Report on Form 10-K for the fiscal year of the Company ended December 31, 2019 filed by the Company with the SEC.

6.20 Certain Market Activities. Neither the Company nor any of its subsidiaries has taken, directly or indirectly, any action designed to or that might reasonably be expected to cause or result in stabilization or manipulation of the price of the Shares or of any "reference security" (as defined in Rule 100 of Regulation M under the Exchange Act ("Regulation M")) with respect to the Shares, whether to facilitate the sale or resale of the Shares or otherwise, and has taken no action which would directly or indirectly violate Regulation M.

6.21 Broker/Dealer Relationships. Neither the Company nor any of the Subsidiaries (i) is required to register as a “broker” or “dealer” in accordance with the provisions of the Exchange Act or (ii) directly or indirectly through one or more intermediaries, controls or is a “person associated with a member” or “associated person of a member” (within the meaning set forth in the FINRA Manual).

6.22 Taxes. The Company and each of its Subsidiaries have filed all federal, state, local and foreign tax returns which have been required to be filed and paid all taxes shown thereon through the date hereof, to the extent that such taxes have become due and are not being contested in good faith, except where the failure to so file or pay would not have a Material Adverse Effect. No tax deficiency has been determined adversely to the Company or any of its Subsidiaries which has had, or would have, individually or in the aggregate, a Material Adverse Effect. The Company has no knowledge of any federal, state, provincial or other governmental tax deficiency, penalty or assessment which has been or might be asserted or threatened against it which would have a Material Adverse Effect.

6.23 Title to Real and Personal Property. The Company and its Subsidiaries have good and marketable title in fee simple to all items of real property owned by them, good and valid title to all personal property described in the SEC Documents as being owned by them that are material to the businesses of the Company or such Subsidiary, in each case free and clear of all liens, Encumbrances and Claims, except those matters that (i) do not materially interfere with the use made and proposed to be made of such property by the Company and any of its Subsidiaries or (ii) would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect. Any real or personal property described in the SEC Documents as being leased by the Company and any of its Subsidiaries is held by them under valid, existing and enforceable leases, except those that (A) do not materially interfere with the use made or proposed to be made of such property by the Company or any of its Subsidiaries or (B) would not be reasonably expected, individually or in the aggregate, to have a Material Adverse Effect. Each of the properties of the Company and its Subsidiaries complies with all applicable Laws (including building and zoning Laws and Laws relating to access to such properties), except if and to the extent disclosed in the SEC Documents or except for such failures to comply that would not, individually or in the aggregate, reasonably be expected to interfere in any material respect with the use made and proposed to be made of such property by the Company and its Subsidiaries or otherwise have a Material Adverse Effect. None of the Company or its Subsidiaries has received from any Governmental Authorities any notice of any condemnation of, or zoning change affecting, the properties of the Company and its Subsidiaries, and the Company knows of no such condemnation or zoning change which is threatened, except for such that would not reasonably be expected to interfere in any material respect with the use made and proposed to be made of such property by the Company and its Subsidiaries or otherwise have a Material Adverse Effect, individually or in the aggregate.

6.24 Environmental Laws. The Company and its Subsidiaries (i) are in compliance with any and all applicable federal, state, provincial, local and foreign Laws relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants (collectively, “Environmental Laws”); (ii) have received and are in compliance with all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses as described in the SEC Documents; and (iii) have not received notice of any actual or potential liability for the investigation or remediation of any disposal or release of hazardous or toxic substances or wastes, pollutants or contaminants, except, in the case of any of clauses (i), (ii) or (iii) above, for any such failure to comply or failure to receive required permits, licenses, other approvals or liability as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

6.25 Periodic Review of Costs of Environmental Compliance. In the ordinary course of its business, the Company conducts a periodic review of the effect of Environmental Laws on the business, operations and properties of the Company and its Subsidiaries, in the course of which it identifies and evaluates associated costs and liabilities (including any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties). No facts or circumstances have come to the Company’s attention that could result in costs or liabilities that could be expected, individually or in the aggregate, to have a Material Adverse Effect.

6.26 Disclosure Controls. The Company and each of its Subsidiaries maintain systems of internal accounting controls designed to provide reasonable assurance that (i) transactions are executed in accordance with management’s general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management’s general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company’s internal control over financial reporting is effective and the Company is not aware of any material weaknesses in its internal control over financial reporting (other than as set forth in the SEC Documents). Since the date of the latest audited financial statements of the Company included in the SEC Documents, there has been no change in the Company’s internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting (other than as set forth in the SEC Documents). The Company has established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15 and 15d-15) for the Company and designed such disclosure controls and procedures to ensure that material information relating to the Company and each of its Subsidiaries is made known to the certifying officers by others within those entities. The Company’s certifying officers have evaluated the effectiveness of the Company’s disclosure controls and procedures as of a date within 90 days prior to the filing date of the Form 10-K (such date, the “Evaluation Date”). Except as disclosed in the Form 10-K, the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date and the disclosure controls and procedures are effective. Since the Evaluation Date, there have been no significant changes in the Company’s internal controls (as such term is defined in Item 307(b) of Regulation S-K under the Securities Act) or, to the Company’s knowledge, in other factors that could significantly affect the Company’s internal controls.

6.27 Sarbanes-Oxley. There is and has been no failure on the part of the Company, any Subsidiary of the Company or any of the Company's or its Subsidiaries' respective directors or officers, in their capacities as such, to comply in all material respects with any applicable provisions of the Sarbanes-Oxley Act and the rules and regulations promulgated thereunder. Each of the principal executive officer and the principal financial officer of the Company (or each former principal executive officer of the Company and each former principal financial officer of the Company as applicable) has made all certifications required by Sections 302 and 906 of the Sarbanes-Oxley Act with respect to all reports, schedules, forms, statements and other documents required to be filed by it or furnished by it to the SEC. Rights, Preferences, Privileges, Restrictions of Series A Convertible Preferred Stock

(1) Dividend Provisions: The Series A Convertible Preferred Stock, (x) accrues a non-cumulative as, when, and if declared dividend at a rate of five percent (5%) per annum to be paid in kind upon conversion of the Series A Convertible Preferred Stock and (y) participates in any dividend paid on the Common Stock on an as-if-converted basis. The participation rights in clause (y) do not apply to repurchases of stock from service providers at or below cost upon termination of employment or engagement; to acquisitions of Common Stock by the Company pursuant to its exercise of a right of first refusal to repurchase shares; to distributions in connection with a Liquidation Event (as defined below); or to repurchases approved by the Company's Board of Directors.

(2) Liquidation Preference: In the event of any liquidation, dissolution or winding up of the Company (a "Liquidation Event"), the Series A Convertible Preferred Stock will be entitled, in preference to the Common Stock, to an amount equal to the Purchase Price per share plus all declared but unpaid dividends. To the extent that the assets of the Company are insufficient to pay the holders of the Series A Convertible Preferred Stock in full, the proceeds of any Liquidation Event shall be distributed ratably among the holders of the Series A Convertible Preferred Stock on a pro rata basis.

A merger, sale of substantially all assets, reorganization or other transaction to which the Company is a party in which control of the Company is transferred will be treated as a "Liquidation Event," provided that in connection therewith, the Series A Convertible Preferred Stock will be entitled to the greater of the amount of liquidation proceeds described in the preceding paragraph or the proceeds that would be payable with respect to the shares of Common Stock into which the Series A Convertible Preferred Stock is then convertible.

No transaction or series of transactions principally for bona fide equity financing purposes in which cash is received by the Company or any successor or indebtedness of the Company is cancelled or converted or any combination thereof shall be considered a Liquidation Event.

(3) Conversion: The Series A Convertible Preferred Stock will be convertible at a holder's election any time beginning six months from the date of closing of a definitive agreement regarding the Offering into shares of Common Stock of the Company at an initial conversion price equal to the Purchase Price so that, initially, each share of Series A Convertible Preferred Stock shall be convertible into one (1) share of Common Stock. The conversion price will be subject to adjustment as provided in paragraphs (5) and (6) below.

(4) Mandatory Conversion: The Series A Convertible Preferred Stock will be automatically converted into Common Stock, at the then applicable conversion price, in the event of an equity offering of shares of Common Stock resulting in the Company uplisting to any of the Nasdaq Global Select Market, the Nasdaq Global Market, the Nasdaq Capital Market, the NYSE Euronext, or the New York Stock Exchange, (provided that if the per share offering price in such offering is less than the then applicable conversion price for the Series A Convertible Preferred Stock, the Series A Convertible Preferred Stock will automatically convert based on the offering price in such offering).

(5) Anti-dilution Provisions: In the event of any stock split, stock dividend, or stock combination, the number of shares deliverable and the conversion price of the Series A Convertible Preferred Stock will be appropriately adjusted.

(6) Additional Anti-dilution Provisions: In the event a Mandatory Conversion is triggered, if the offering price on the date such Mandatory Conversion is triggered is less than a 25% premium to the Purchase Price, the Company will issue additional shares of Common Stock for each outstanding Share of Series A Convertible Preferred Stock to ensure the effective conversion price equals a 25% discount to the Purchase Price.

(7) Voting Rights: Consent of the holders of at least a majority of the then outstanding Series A Convertible Preferred Stock will be required for (i) the creation of, or increase in the authorized amount of, any new class or series of stock or any other securities convertible into equity securities of the Company ranking on a parity with or senior to the Series A Convertible Preferred Stock, (ii) any redemption, repurchase, payment or declaration of dividends or other distributions with respect to Common Stock or the Series A Convertible Preferred Stock (subject to the exceptions in the second sentence under "Dividend Provisions" above); or (iii) any Liquidation Event (or transaction that is treated as a Liquidation Event as described above) pursuant to which the holders of the Series A Convertible Preferred Stock are not entitled to receive cash or securities traded on a national securities exchange in the United States in an amount not less than the applicable original issue price plus declared and unpaid dividends. Consent of the holders of at least a majority of the then outstanding Series A Convertible Preferred Stock will also be required for (x) any increase or decrease in the authorized number of shares of Series A Convertible Preferred Stock or (y) any change to the powers, preferences or special rights of the Series A Convertible Preferred Stock so as to affect them adversely. Other than as expressly set forth above, the Series A Convertible Preferred Stock has no voting rights.

(8) Resale Restrictions: For a period of one year from the date of a definitive agreement with respect to the Offering, if the Company undertakes an underwritten public equity offering, the holders of Series A Convertible Preferred Stock will enter into a lock-up agreement with respect to the sale of the Series A Convertible Preferred Stock and the Common Stock underlying such Series A Convertible Preferred Stock as may be reasonably requested by the Company or the Company's underwriter for such public offering.
