(f) Schedule 2.8(f) of the Disclosure Schedule lists all patents, patent applications, registered trademarks, trademark applications, service marks, service mark applications, tradenames, registered copyrights, and licenses to and under any of the foregoing, in each case owned by the Company or any Subsidiary.

Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Notes, and on requirements relating to the Company which are outside of Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

US\$[●]

Effective Date: [●], 2024

Ondas Autonomous Systems Inc., a Nevada corporation (the “Company” or “Maker”), for value received, promises to pay to the order of [●] (“Holder”), the principal amount of [●] Dollars (US\$[●]) together with interest as set forth in this Convertible Promissory Note (this “Note”).

1. Principal and Interest. Interest shall accrue from the date hereof on the principal balance hereof remaining from time to time outstanding at the rate equal to five percent (5%) per annum, simple interest (the “Note Rate”), and, upon the occurrence of an Event of Default, interest shall be payable at a rate equal to the Note Rate plus two percent (2%) per annum. Interest shall accrue on the basis of a year consisting of three hundred sixty-five (365) days and charged for the number of days actually elapsed. Notwithstanding anything herein to the contrary, unless earlier converted into Conversion Shares (as defined below), Maker shall pay the entire outstanding principal balance hereunder, plus all accrued and unpaid interest thereon, on September 30, 2025 (“Maturity Date”), provided, that, as a condition to payment on the Maturity Date, Maker shall give written notice to Holder of Maker’s intent to make such payment and Holder shall have the option, via written election that must be provided to Maker within 10 days of such notice, to convert the entire outstanding principal and interest balance hereunder into the most senior class of Equity Securities then outstanding at a conversion price equal to the quotient resulting from dividing (x) the Valuation Cap by (y) the Fully Diluted Capitalization as of the Maturity Date and otherwise pursuant to the same conversion mechanics described in this Note.

2. Security. This Note is a general unsecured obligation of Maker.

3. No Prepayment. Maker may not prepay any portion of the principal or interest of this Note without the written consent of Holder, which may be withheld in Holder’s sole discretion.

4. Next Equity Financing Conversion. In the event the Maker consummates the Next Equity Financing prior to the Maturity Date, the principal balance and unpaid accrued interest on this Note shall be automatically converted into Conversion Shares upon the closing of the Next Equity Financing. Notwithstanding the foregoing, Maker may, at its option, pay any unpaid accrued interest on this Note in cash at the time of conversion. The number of Conversion Shares Maker issues upon such conversion will equal the quotient (rounded down to the nearest whole share) obtained by dividing (x) the outstanding principal balance and unpaid accrued interest under this Note on a date that is no more than five (5) days prior to the closing of the Next Equity Financing by (y) the applicable Conversion Price. At least five (5) days prior to the closing of the Next Equity Financing, Maker will notify Holder in writing of the terms of the Equity Securities that are expected to be issued in such financing. 6. Corporate Transaction. In the event of a Corporate Transaction prior to the conversion or repayment of this Note, at the closing of such Corporate Transaction, the Holder may elect that either: (a) the Company will pay the Holder an amount equal to the sum of (x) the outstanding principal and accrued interest under this Note; or (b) the amount that Holder would have received at the closing of the Corporate Transaction assuming the outstanding principal and accrued interest under the Note had converted into shares of the Company’s common stock at a price per share equal to the fair market value of the Company’s common stock at the time of the Corporate Transaction as determined by reference to the purchase price payable to holders of common stock in connection with such Corporate Transaction.

7. Representations and Warranties of Maker. In connection with the transactions contemplated by this Note, Maker hereby represents and warrants to Holder as follows:

(a) Due Organization; Qualification and Good Standing. Maker is a corporation duly organized, validly existing and in good standing under the laws of the State of Nevada and has all requisite corporate power and authority to carry on its business as now conducted. Maker is duly qualified to transact business and is in good standing in each jurisdiction in which the failure to so qualify or to be in good standing would have a material adverse effect on Maker.

(b) Authorization and Enforceability. Except for the authorization and issuance of the Conversion Shares, all corporate action has been taken on the part of Maker and its officers, directors and stockholders necessary for the authorization, execution and delivery of this Note. Except as may be limited by applicable bankruptcy, insolvency, reorganization or similar laws relating to or affecting the enforcement of creditors’ rights, Maker has taken all corporate action required to make all of the obligations of Maker reflected in the provisions of this Note valid and enforceable in accordance with its terms.

8. Representations and Warranties of Holder. In connection with the transactions contemplated by this Note, Holder hereby represents and warrants to Maker as follows:

(a) Authorization. Holder has full power and authority (and, if an individual, the capacity) to enter into this Note and to perform all obligations required to be performed by it hereunder. This Note, when executed and delivered by Holder, will constitute Holder’s valid and legally binding obligation, enforceable in accordance with its terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and any other laws of general application affecting enforcement of creditors’ rights generally, and (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

(b) Purchase Entirely for Own Account. Holder acknowledges that this Note is made with Holder in reliance upon Holder’s representation to Maker, which the Holder hereby confirms by executing this Note, that this Note, the Conversion Shares, and any securities issuable upon conversion of the Conversion Shares (collectively, the “Securities”) will be acquired for investment for Holder’s own account, not as a nominee or agent (unless otherwise specified on Holder’s signature page hereto), and not with a view to the resale or distribution of any part thereof, and that Holder has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Note, Holder further represents that Holder does not have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to the Securities. If other than an individual, Holder also represents it has not been organized solely for the purpose of acquiring the Securities.

(c) Disclosure of Information; Non-Reliance. Holder acknowledges that it has received all the information it considers necessary or appropriate to enable it to make an informed decision concerning an investment in the Securities. Holder further represents that it has had an opportunity to ask questions and receive answers from Maker regarding the terms and conditions of the offering of the Securities. Holder confirms that Maker has not given any guarantee or representation as to the potential success, return, effect or benefit (either legal, regulatory, tax, financial, accounting or otherwise) of an investment in the Securities. In deciding to purchase the Securities, Holder is not relying on the advice or recommendations of Maker and has made its own independent decision that the investment in the Securities is suitable and appropriate for Holder. Holder understands that no federal or state agency has passed upon the merits or risks of an investment in the Securities or made any finding or determination concerning the fairness or advisability of this investment.

(d) Investment Experience. Holder is an investor in securities of companies in the development stage and acknowledges that it is able to fend for itself, can bear the economic risk of its investment and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of the investment in the Securities.

(e) Accredited Investor. Holder is an “accredited investor” within the meaning of Rule 501 of Regulation D promulgated under the Securities Act. Holder agrees to furnish any additional information requested by Maker or any of its affiliates to assure compliance with applicable U.S. federal and state securities laws in connection with the purchase and sale of the Securities.

(f) Restricted Securities. Holder understands that the Securities have not been, and will not be, registered under the Securities Act or state securities laws, by reason of specific exemptions from the registration provisions thereof which depend upon, among other things, the bona fide nature of the investment intent and the accuracy of Holder’s representations as expressed herein. Holder understands that the Securities are “restricted securities” under U.S. federal and applicable state securities laws and that, pursuant to these laws, Holder must hold the Securities indefinitely unless they are registered with the Securities and Exchange Commission (“SEC”) and registered or qualified by state authorities, or an exemption from such registration and qualification requirements is available. Holder acknowledges that Maker has no obligation to register or qualify the Securities for resale and further acknowledges that, if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Securities, and on requirements relating to Maker which are outside of Holder’s control, and which Maker is under no obligation, and may not be able, to satisfy.

(g) No Public Market. Holder understands that no public market now exists for the Securities and that Maker has made no assurances that a public market will ever exist for the Securities.

(h) No General Solicitation. Holder, and its officers, directors, employees, agents, stockholders or partners have not either directly or indirectly, including through a broker or finder, solicited offers for or offered or sold the Securities by means of any form of general solicitation or general advertising within the meaning of Rule 502 of Regulation D under the Securities Act or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act. Holder acknowledges that neither Maker nor any other Person offered to sell the Securities to it by means of any form of general solicitation or advertising within the meaning of Rule 502 of Regulation D under the Securities Act or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act.

(i) Residence. If Holder is an individual, then Holder resides in the state or province identified in the address shown on Holder’s signature page hereto. If Holder is a partnership, corporation, limited liability company or other entity, then Holder’s principal place of business is located in the state or province identified in the address shown on Holder’s signature page hereto.

(j) Foreign Investors. If Holder is not a United States Person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), Holder hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities, including (a) the legal requirements within its jurisdiction for the purchase of the Securities; (b) any foreign exchange restrictions applicable to such purchase; (c) any governmental or other consents that may need to be obtained; and (d) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, conversion, redemption, sale, or transfer of the Securities. Holder’s subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of Holder’s jurisdiction. Holder acknowledges that Maker has taken no action in foreign jurisdictions with respect to the Securities.

(k) No “Bad Actor” Disqualification. Holder represents and warrants that neither (A) Holder nor (B) any entity that controls Holder or is under the control of, or under common control with, Holder, is subject to any of the “bad actor” disqualifications described in Rule 506(d)(1)(i) through (viii), as modified by Rules 506(d)(2) and (d)(3), under the Securities Act (“Disqualification Events”), except for Disqualification Events covered by Rule 506(d)(2)(ii) or (iii) or (d)(3) under the Securities Act and disclosed in writing in reasonable detail to Maker. Holder represents that Holder has exercised reasonable care to determine the accuracy of the representation made by Holder in this paragraph and agrees to notify Maker if Holder becomes aware of any fact that makes the representation given by Holder hereunder inaccurate.

9. Affirmative Covenants. Maker covenants that, so long as any amounts are due and payable hereunder to Holder, Maker shall:

- (a) Maintain its corporate existence and its good standing in its jurisdiction of organization; and
- (b) Keep its business insured for risks and in the manner so insured prior to the date of this Note.

10. Negative Covenants. Maker covenants that, so long as any amounts are due and payable hereunder to Holder, without the prior approval of Holder, Maker shall not:

- (a) Create, incur, assume or permit to exist any Indebtedness except Permitted Indebtedness;
- (b) Create, incur, assume or suffer to exist any Lien of any kind upon any of Maker’s property, whether now owned or hereafter acquired, except Permitted Liens;
- (c) Sell or dispose of all or substantially all of Maker’s assets or property;
- (d) Issue or sell Equity Securities in Maker;
- (e) Make any distribution or dividend to its shareholders;
- (f) Enter into any contracts with Affiliates of Maker (other than (i) contracts between Maker and its directly and indirectly wholly-owned subsidiaries and (ii) contracts related to the allocation of shared goods, services and overhead by and among Maker and its Affiliates); and
- (g) Pay bonuses or increase compensation for the executives officers of Maker.

11. Default.

- (a) Events of Default. An “Event of Default” shall be deemed to have occurred if:

(i) Maker shall fail to make any payment or principal or interest due to Holder under this Note when the same shall become due and payable, and fails to remedy such violation within ten (10) days after receipt of written notice from Holder that such a violation has occurred.

(ii) Maker violates any of the covenants contained in Section 9 or Section 10 of this Note, and fails to remedy such violation within ten (10) days after receipt of written notice from Holder that such a violation has occurred.

(iii) Maker files any petition or action for relief under any bankruptcy, reorganization, insolvency or moratorium law or any other law for the relief of, or relating to, debtors, now or hereafter in effect, or makes any assignment for the benefit of creditors or takes any corporate action in furtherance of any of the foregoing; or

---

(iv) An involuntary petition is filed against Maker (unless such petition is dismissed or discharged within 60 days under any bankruptcy statute now or hereafter in effect, or a custodian, receiver, trustee or assignee for the benefit of creditors (or other similar official) is appointed to take possession, custody or control of any property of Maker).

(b) Consequences of Events of Default. Upon the occurrence and during the continuance of an Event of Default, the entire unpaid principal sum hereunder, plus any and all interest accrued thereon, plus all other sums due and payable to Holder hereunder shall, at the option of Holder, become immediately due and payable.

12. GOVERNING LAW. THIS NOTE AND ALL THE TERMS HEREIN SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEVADA IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, WITHOUT REGARD TO THE CHOICE OF LAW PROVISIONS THEREOF.

13. Release. Upon conversion of this Note in full and the payment of the amounts specified herein, Maker shall be forever released from all its obligations and liabilities under this Note and this Note shall be deemed of no further force or effect, whether or not the original of this Note has been delivered to Maker for cancellation.

14. Severability. In the event that any provision of this Note is held to be invalid, illegal or unenforceable in any respect or to any extent, such provision shall nevertheless remain valid, legal and enforceable in all such other respects and to such extent as may be permissible. Any such invalidity, illegality or unenforceability shall not affect any other provisions of this Note, but this Note shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

15. Usury Laws. It is the intention of Maker and Holder to conform strictly to all applicable usury laws now or hereafter in force, and any interest payable under or in respect of this Note shall be subject to reduction to the amount not in excess of the maximum legal amount allowed under the applicable usury laws as now or hereafter construed by the courts having jurisdiction over such matters. The aggregate of all interest (whether designated as interest, service charges, points, or otherwise) contracted for, chargeable, or receivable under or in respect of this Note shall under no circumstances exceed the maximum legal rate upon the unpaid principal balance of this Note remaining unpaid. If such interest does exceed the maximum legal rate, it shall be deemed a mistake and such excess shall be canceled automatically and, if theretofore paid, rebated to Maker or credited on the principal amount of this Note, or if this Note has been repaid, then such excess shall be rebated to Maker.

16. Successors and Assigns. This Note shall not be assigned by any party, and no party's obligations hereunder, or any of them, shall be delegated, without the consent of the other party.

17. Entire Agreement. This Note together with the Securities Purchase Agreement, constitutes and contains the entire understanding and agreement between Maker and Holder with respect to the subject matter hereof and supersedes any and all prior agreements, negotiations, correspondence, understandings and communications between the parties, whether written or oral, with respect to such subject matter. Maker acknowledges that it is not relying on any representation or agreement made by Holder or any employee, attorney or agent thereof, other than the specific agreements set forth in this Note and the Securities Purchase Agreement.

18. Construction. Maker and Holder agree that they intend the literal words of this Note and that no parol evidence shall be necessary or appropriate to establish Maker's or Holder's actual intentions.

19. Amendments and Waivers. Any and all amendments, modifications, discharges or waivers of, or consents to any departures from any provision of this Note or of any of the related loan documents shall not be effective without the written consent of Holder and Maker. Any waiver or consent with respect to any provision of such loan documents shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on Maker in any case shall entitle Maker to any other or further notice or demand in similar or other circumstances. 25. Submission to Jurisdiction; Consent to Service of Process. The parties hereby irrevocably submit to the exclusive jurisdiction of any federal or state court located in state courts of the State of Nevada and to the jurisdiction of the United States District Court for the District of Nevada over any dispute arising out of or relating to this Note or any of the transactions contemplated hereby and each party hereby irrevocably agrees that all claims in respect of such dispute or any suit, action or proceeding related thereto may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.
