SELLING STOCKHOLDERS

The following table provides information about the selling stockholders, listing how many shares of our Common Stock the selling stockholders own on the date of this prospectus supplement, how many shares may be offered by this prospectus supplement and the prospectus, and the number and percentage of outstanding shares the selling stockholders will own after the offering, assuming all shares covered by this prospectus supplement and the prospectus are sold. The information concerning beneficial ownership has been provided by the selling stockholders. Information concerning the selling stockholders may change from time to time, and any changed information will be set forth if and when required in prospectus supplements or other appropriate forms permitted to be used by the SEC.

We do not know when or in what amounts the selling stockholders may offer shares for sale. The selling stockholders may choose not to sell any or all of the shares offered by this prospectus supplement and the prospectus. Because the selling stockholders may offer all or some of the shares, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares, we cannot accurately report the number of the shares that will be held by the selling stockholders after completion of the offering. However, for purposes of this table, we have assumed that, after completion of the offering, all of the shares covered by this prospectus supplement and the prospectus will be sold by the selling stockholders.

As of August 15, 2025, 6,324,308 shares of Common Stock have been issued in connection with the exercise of the Warrants. The number of shares outstanding, and the percentage of beneficial ownership, post-offering are based on 278,375,181 shares of Common Stock issued and outstanding as of the conclusion of the offering, calculated on the basis of (i) 274,499,489 shares of Common Stock issued and outstanding as of August 15, 2025 prior to the offering, which includes 6,324,308 shares that have been issued pursuant to the exercise of the Warrants, and (ii) assuming the exercise and sale by the selling stockholders of the remaining 3,875,692 shares of Common Stock underlying the Warrants. For the purposes of the following table, the number of shares of Common Stock beneficially owned has been determined in accordance with Rule 13d-3 under the Exchange Act, and such information is not necessarily indicative of beneficial ownership for any other purpose. Under Rule 13d-3, beneficial ownership includes any shares as to which the selling stockholders have sole or shared voting power or investment power and also any shares which each selling shareholder, respectively, has the right to acquire within 60 days of the date of this prospectus through the exercise of any stock option, warrant or other rights.
